The Commonwealth of Massachusetts
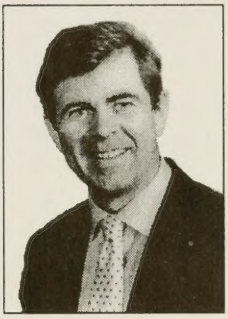
William Francis Galvin, Secretary of the Commonwealth

To the Reader,

I am pleased to present this publication of election results with an easy to read format of combining primary and election results on the same page.



In addition to the 2000 state primary and general election results, this book contains combined tables of enrollment, registration, and turnout for each community in the Commonwealth, as well as percentage calculations for statewide offices and statewide ballot questions.

After the primary and election, each community sends to the Secretary of the Commonwealth an official report detailing how many votes were cast for each candidate for each office and every question on the ballot. This publication is then prepared from these results.

Write-ins and sticker votes are consolidated and listed under "all others". Only those candidates who won or made significant impact are listed by name.

I'm always looking for ideas to improve the way elections are conducted and the manner results are reported in Massachusetts, including the format of this publication. I would be happy to have any suggestions you may wish to offer. I hope that this volume will be easy for you to use.

Sincerely,

William Francis Galvin

William Francis Galvin
Secretary of the Commonwealth

QUESTION 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, *which was approved by the General Court in joint sessions of the two houses on June 9, 1998 (yeas 186 – nays 3); and again on June 28, 2000 (yeas 188 – nays 0)?*

SUMMARY

This proposed constitutional amendment would require that new district boundaries for state representatives, state senators, and governor's councillors, which are redrawn every ten years based on the most recent federal census, take effect for the state election held two years after the federal census, rather than the election four years after the census as under the current system.

A YES VOTE would amend the constitution to require that the periodic redrawing of district boundaries for state legislators and governor's councillors use new census data two years earlier than under the current system.

A NO VOTE would make no change in the current four-year process for redrawing such district boundaries

QUESTION 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, *which was approved by the General Court in joint sessions of the two houses on July 29, 1998 (yeas 155 – nays 34); and again on June 28, 2000 (yeas 144 – nays 45)?*

SUMMARY

This proposed constitutional amendment would prohibit persons who are incarcerated in a correctional facility due to a felony conviction from voting in elections for governor, lieutenant governor, state senator, or state representative. The amendment would also result in such persons being ineligible to vote for governor's councillor, secretary of state, state treasurer, state auditor, state attorney general, or United States senator or representative in Congress.

A YES VOTE would amend the constitution to limit the voting rights of incarcerated felons.

A NO VOTE would make no change in the voting rights of incarcerated felons.

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?*

SUMMARY

This proposed law would prohibit in Massachusetts any dog racing or racing meeting where any form of betting or wagering on the speed or ability of dogs occurs.

The State Racing Commission would be prohibited from accepting or approving any application or request for racing dates for dog racing.

Any person violating the proposed law could be required to pay a civil penalty of not less than $20,000 to the State Racing Commission. The penalty would be used for the Commission's administrative purposes, subject to appropriation by the state Legislature.

All existing provisions on the part of the state's General Laws concerning dog and horse racing meetings would be interpreted as not applying to anything dog-related.

The proposed law would take effect on June 1, 2001. The proposed law states that if any of its parts were declared invalid, the rest of the law would stay in effect.

A YES VOTE would prohibit dog races where betting or wagering occurs.

A NO VOTE would make no change in the laws governing dog racing.

QUESTION 4

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?*

SUMMARY

This proposed law would repeal the law setting the state personal income tax rate on Part B taxable income (such as wages and salaries), which was 5.95% as of September 1, 1999, and would set the rate at 5.6% for tax year 2001, 5.3% for tax year 2002, and 5% for tax year 2003 and after. If the Legislature set a lower rate for any of those years, that lower rate would apply.

The proposed law states that if any of its parts were declared invalid, the other parts would remain in effect.

A YES VOTE would reduce the state personal income tax rate in steps over three years to 5%.

A NO VOTE would make no change in the state income tax laws.

QUESTION 5

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?*

SUMMARY

This proposed law would set up a state Health Care Council to review and recommend legislation for a health care system that ensures comprehensive, high quality health care coverage for all Massachusetts residents. Until the Council decided that such a system had been set up, the proposed law would prohibit the conversion of non-profit hospitals, health maintenance organizations (HMOs), and health insurance firms to for-profit status. The proposed law would also require health insurance carriers to provide certain rights to patients and health care professionals, starting January 1, 2001.

The Council would recommend laws to set up, and would decide whether laws had been passed to ensure, a health care system that provides:

- barrier-free access to health care services;
- patients' freedom to choose their health care providers, get second opinions, and appeal denials of care;
- health care professionals' freedom to act solely in the best interests of their patients;
- affordable coverage, with cost increases no greater than national averages;
- preserving and increasing the quality of care and encouraging research;
- at least 90% of all premiums to be used for patient care, public health, and training/research, and no more than 10% for administrative costs, with simpler paperwork and administration;
- a prohibition of financial incentives that limit patient access to health care, and limits on incentives for inappropriate care.

The Council would include 17 members representing health care and other organizations. It would hold public hearings, study proposals, and make recommendations to the state Commissioner of Public Health and the Legislature on laws and other steps needed to set up a system meeting the above requirements. The proposed law would also create a special legislative committee, including legislators and members of the Council, to make recommendations by September 30, 2001, for laws to set up a system meeting the above requirements by July 1, 2002.

Starting January 1, 2001, the proposed law would require health insurance carriers to guarantee certain rights to their insured patients and to health care professionals. These rights would include:

- patients' right to choose all of their health care providers, subject to the approval of a freely chosen primary care provider who has no financial incentive to deny care, and subject to payment of a reasonable extra fee to see a provider outside the carrier's network;
- health care professionals' right to make medical decisions in consultation with the patients;
- patients' right to transitional insurance coverage when they are undergoing a course of treatment from a health care provider whose contract with a carrier is being terminated;
- patients' right to medically necessary referrals to specialists;
- limits on and disclosure of contracts between carriers and health care providers that create financial incentives to delay or limit care or provide inappropriate care;
- health care professionals' right to discuss health benefit plans with insured patients and to advocate on behalf of their patients;
- carriers could not terminate health care providers' contracts without cause;
- patients' right to receive emergency services, subject to authorization procedures, and to be reimbursed when they pay cash for emergency services from providers not affiliated with their carrier;
- utilization review procedures that meet specific standards, including patients' right to appeal to the Commissioner of Public Health;
- in any year at least 90% of a carrier's Massachusetts revenue must be spent on Massachusetts health care, and a carrier that spent more than 10% for non-health care purposes would have to refund the excess to its insured patients. Each carrier would have to report its revenues, premiums, and expenditures to the state Commissioner of Insurance every year.

The proposed law states that it would not interfere with any existing contract, including contract terms (such as automatic renewal or option clauses) that may go into effect after January 1, 2001. The proposed law states that if any of its parts were declared invalid, the rest of the law would stay in effect.

A YES VOTE would require health insurance carriers to guarantee certain rights to their patients and providers, and it would prohibit the conversion of non-profit hospitals, HMOs, and health insurers into for-profit entities until a system is created to provide comprehensive health care coverage for all Massachusetts residents.

A NO VOTE would make no change in the laws governing health insurance and health care.

QUESTION 6

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?*

SUMMARY

This proposed law would allow a state personal income taxpayer a tax credit equal to the amount of tolls the taxpayer paid during the taxable year on all Massachusetts roads, highways, tunnels, and bridges, including the Massachusetts Turnpike and its Boston Extension, the Tobin Bridge, and the Sumner, Callahan, and Ted Williams Tunnels. Also, a corporation would be allowed a credit against its corporate excise taxes in an amount equal to all such tolls paid during the taxable year by the corporation or by its employees in furtherance of the corporation's business.

The proposed law would also allow a state personal income taxpayer a tax credit equal to the amount of excise taxes on registered motor vehicles the taxpayer paid during the taxable year. A corporation would be allowed a credit against its corporate excise taxes in an amount equal to all registered motor vehicle excise taxes the corporation paid during the taxable year.

The tax credits could not be used to reduce a personal income taxpayer's taxes below zero or a corporate excise taxpayer's taxes below the minimum levels set by state law. Any amount of tax credit not usable in a taxable year because of these limits could be carried over and used in later taxable years, for up to ten years.

The proposed law would apply to taxable years beginning on or after January 1, 2001. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would allow a state personal income tax or corporate excise tax credit for Massachusetts tolls and motor vehicle excise taxes.

A NO VOTE would make no change in the state tax laws.

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?*

SUMMARY

This proposed law would allow taxpayers who give to a charity a state personal income tax deduction for those charitable contributions. A taxpayer could take a deduction from any Part B income, including wages and salaries, of an amount equal to his or her charitable contributions for the year. The taxpayer would take the deduction whether or not the taxpayer itemized deductions on his or her federal income tax return. The proposed law would apply to any contribution that met the definition of charitable contribution used under federal income tax law. The proposed law would apply to taxable years beginning on or after January 1, 2001.

A YES VOTE would create a state income tax deduction for charitable contributions.

A NO VOTE would make no changes in the state income tax laws.

QUESTION 8

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 3, 2000?*

SUMMARY

This proposed law would create a state Drug Treatment Trust Fund, to be used, subject to appropriation by the state Legislature, solely for the treatment of drug-dependent persons. The Fund would include fines paid under the state's criminal drug laws; money forfeited because of its use in connection with drug crimes; and the proceeds from selling property forfeited because of its use in connection with drug crimes.

The Fund would be administered by the state's Director of Drug Rehabilitation. Money in the Fund would be spent to increase, rather than replace, existing government funding for drug treatment programs. Those programs would be expanded to apply to persons who are at risk of becoming drug-dependent and to include drug abuse prevention through education.

The proposed law would expand eligibility for the program under which a person charged with a drug crime may request a court finding that he is drug-dependent and would benefit from court-monitored treatment. If the court so finds, and the person then successfully completes a treatment program, the criminal charges are dismissed. The proposed law would allow requests to enter this program by persons who are at risk of becoming drug dependent and by persons charged with a first or second offense of manufacturing, distributing, or dispensing a controlled substance, or possessing a controlled substance with the intent to do any of those things, or trafficking 14 to 28 grams of cocaine.

The proposed law would change the state law governing forfeiture of money and property used in connection with drug crimes. Land and buildings could not be forfeited if used in a manner that was merely incidental to a drug crime. The state would have to prove by clear and convincing evidence that money or property was subject to forfeiture, and the property owner could then try to prove by a preponderance of the evidence that the money or property was legally exempt from forfeiture. All forfeited money, instead of being divided between the prosecuting agency and responsible police department and used for law enforcement purposes, would be put in the Fund. All forfeited property, instead of being so divided and used, would be sold and the proceeds put in the Fund.

Records of all sales and local forfeiture activities would have to be kept and made public unless harm to law enforcement efforts would result. The state Inspector General could audit and investigate these activities. Any official who concealed or diverted any forfeited money or property could be punished by a fine of up to $1000, imprisonment for up to one year, or both.

The proposed law states that if any of its parts were declared invalid, the rest of the law would remain in effect.

A YES VOTE would change state laws governing drug-dependency treatment and fines paid and money and property forfeited in connection with drug crimes.

A NO VOTE would make no change in the laws governing drug-dependency treatment and fines and forfeitures based on drug crimes.

QUESTION 9

Shall the proposed Berkshire County Charter, summarized below, creating Berkshire Regional Council of Governments as a form of county government be adopted?

SUMMARY OF PROPOSED CHARTER FOR THE BERKSHIRE COUNCIL OF GOVERNMENTS

The proposed charter would create a Berkshire Council of Governments for the purposes of mutual cooperation and benefit among the member cities and towns of the Council. Voting membership on the Council would be limited to cities and towns in Berkshire County whose residents vote, by majority of those voting at an election, to join the Council. The proposed charter would not be interpreted to infringe upon the powers or duties of cities and towns, including their power to legislate for the general health, safety, and welfare of their residents.

The Council would initially have no regulatory power. The Council would have the following powers and duties: all powers and duties that state law confers on regional councils of governments, including the power to decide to provide regional services and regulation; the power to establish the Council's internal organization and procedures, including compensation and personnel procedures for Council officers and employees; the power to construct, acquire, operate, and maintain public improvements, capital projects, real and personal property, and enterprises, for public purposes; the power to enter contracts; sue and be sued; and sell, lease, or dispose of property; the power to set and collect membership fees and assessments; incur debt in anticipation of revenue; accept grants; and spend funds for Council purposes; and the powers of the former county government regarding public employee health insurance.

The Council could exercise its powers and duties in cooperation with other government entities, if consistent with state law, and could agree with any government or other entity to provide, jointly or for the other, any service or activity that the other entity may legally perform.

A city or town joining the Council would have to remain a member for at least 3 full fiscal years. Withdrawal would require a majority vote at an election in the city or town, taken at least 1 year before the fiscal year for which withdrawal would take effect. A withdrawing city or town would remain liable for its share of the Council's financial obligations and would have no right to payment for any share of the Council's assets.

The legislative body of the Council would be a Board of Councilors. Each member city or town's executive authority would choose a Councilor, who would have 1 vote plus a weighted vote based on the city or town's population. The Councilors would control Council property, litigation, personnel policies, internal procedures, and collective bargaining agreements. Records of the Councilors' proceedings would be made public.

The executive body of the Council would be a 7-member Steering Committee, with 6 of the members elected to 1-year terms, by and from among the Councilors, with each Councilor casting an equal, non-weighted vote. 2 members would be elected from each of 3 Berkshire geographic regions, with roughly equal populations, as set by the Council. If Pittsfield joins the Council, its Councilor would be the 7th member of the Steering Committee; otherwise, the 6 other members would elect a 7th, at-large member for a 1-year term. No city or town could have more than 1 member on the Steering Committee, and members would have single, non-weighted votes. Councilors and Steering Committee members would not be paid. The Councilors would annually elect, from among the Steering Committee, a Council Chair and Vice-Chair.

The Steering Committee would oversee the carrying out of policies approved by the Council; would appoint and annually set the salary and review the performance of a full-time administrator; and would have confirmation power over the administrator's appointments to certain Council offices. The administrator would be directly responsible to the Councilors for the administration of all Council affairs assigned to him or her.

Every year the Council would adopt, by April 1, a budget for the fiscal year starting July 1. The budget would be based on a proposal made by the administrator, sent to officials of member cities and towns, discussed at a public hearing, and reviewed by the Steering Committee before adoption by the Council.

Each member city or town would pay the Council an annual $1000 membership fee, and the Council could impose a maximum annual assessment of $1 per resident of each member city or town. The Council could increase or reduce this assessment based on the Council's budget, subject to certain limits set forth in the law known as Proposition 2 1/2, except that the Council could adjust the amount raised by the assessment to account for changes in Council membership or in the population of member cities and towns. The Council could also raise revenue by charging user fees or fees for services, and by other methods if allowed by law or approved by the voters of member cities and towns.

Any proposed amendment to the charter would first require the approval of 2/3 of the weighted votes of the Councilors, or could be offered by a petition signed by enough registered voters to equal 5% of the registered voters in member cities and towns. In either case, the proposed amendment would then be submitted to the voters of member cities and towns for approval, by majority vote, at a regular state election.

The proposed charter would take effect on January 1, 2001, if approved in at least 22 Berkshire County cities or towns by a majority of those voting in that city or town, or if the population of the approving cities and towns equals 2/3 of the population of Berkshire County.
